CONCERT COURSE OF FOUR NUMBERS

NOTED ARTISTS WILL APPEAR
HERE UNDER AUSPICES
OF Y. W. C. A.

The Young Women's Christian Association has at last arranged the concert course for this season. There will be four numbers this year. Last year the Association presented three numbers and now for the same price a season ticket will be given for four good numbers.

The season opens with the Earnest Gamble Concert Co., either on February 23 or February 24. The date will be settled soon. This is to be followed by Maximilian Dix, the great American violinist, the Dunbar Bell Ringers and an Orchestra from Tucson.

The association is very glad to present this course. It is not a money making scheme; it is with a desire to present these first class artists for the sake of good music. The organization last year came out with the balance on the wrong side of the books so far as the concert course was concerned but, nothing daunted, are again coming to the people of Bisbee and presenting a fine course asking for the hearty support of the friends of last year, and others who last year missed the splendid concerts. The tickets will be on sale about February 7th, and will be \$2.50 for the course.

REVIEW OF NATIONS IN JUSTICE COURT

JOY OF JAG NOT CONFINED TO
ANY ONE RACE OF
FOLK

A review of the nationalities was held in Judge T. D. Burdick's court yesterday. Juan, of Mexican lineage, was arraigned before the court on the charge of having been drunk and was let off with a fine of \$6 or six days in jail with free board. Juan did not hesitate for fear of losing the free board.

The next slide on the film of nationalities was Joe Collins, a grinning, repentant apologetic negro, who was accused of having been drunk and while in that state of having called pedestrians whom he met a certain epithet and forgetting the smile attachment. Collins told the court that he had only called "de gamblers" progeny of automatic, repeating model 1911 shot guns, but Joe's guileless and bland explanation did not appeal to the court's reasoning faculty and he received a fine of \$7.50. He was committed.

The third slide on the film was a white man, Jim Durrie, who was arrested on the charge of having been drunk and fined \$7.50, which so far he has been unable to raise and is in jail.

SONS OF ADAM, TRIBE OF JOE.
HAVE BAD DAY
YESTERDAY

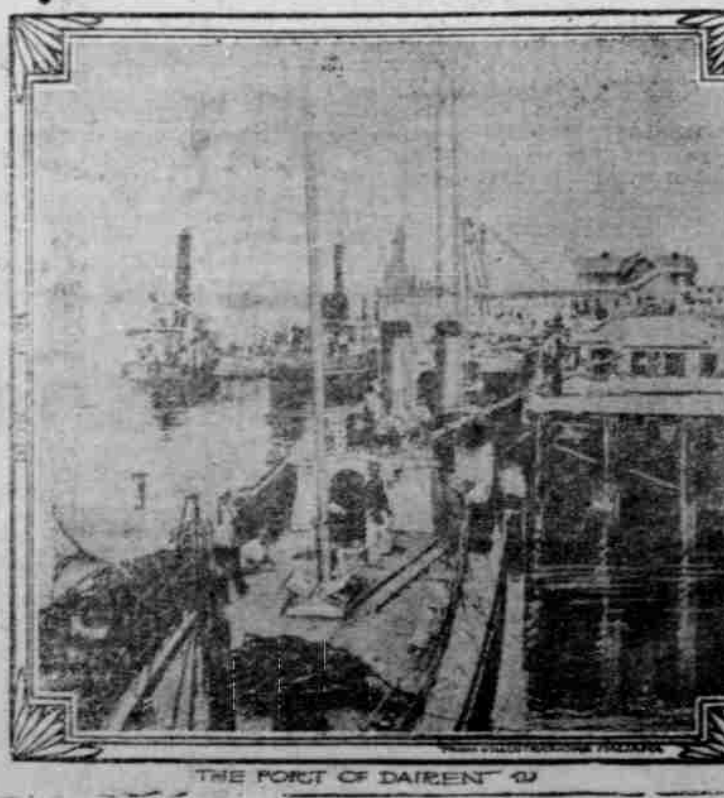

It was a bad day for Joe yesterday. The sun of those who were baptised under that name must have entered a baleful vapor in its path across the skies for there were several of them in the toils of the law yesterday. Joe Holden, arrested on the charge of disturbing the peace and dignity of this peace-loving unit of the commonwealth was fined seven dollars and a half when arraigned before Judge High. Joe Hower was the next amitten by the evil influence. He was arrested on complaint of a denizen of the red light district on the charge of disturbing the peace. He entered a plea of not guilty to the charge and his case was set for a hearing before Judge High Monday afternoon at 3 o'clock.

Joe Collins, a negro, was fined seven and a half dollars in Judge Burdick's court on a charge of drunkenness.

Aurella Marquez was arraigned before Judge High on a charge of disturbing the peace and fined \$6 which he was unable to pay and was sent to jail for six days.

There's a good deal in the cooking of a meal, but there's more still in the buying of the groceries. If you want on your table the best food products, at no more cost to you, buy of a store you know carries only good products—buy of ANGIUS.

To those whose custom it is to lay in a supply of groceries the first of the month, and who have not been buying here, we would suggest that it will cost them nothing to get our prices and examine qualities sold here—a chance to compare our goods and prices with others is all we ask—in fact it's all we need.

We issue a cash ticket with each cash purchase, which is redeemable in money at three and one-third cents on the dollar. Save your cash tickets. It means quite a saving to you in dollars.
